Her crew are all volunteers.

Marion has three deck levels and passengers will need to negotiate stairs. Bottom deck is the entry point to the boat on most occasions, although at times, e.g. steep banks or wharf; entry is then made to the middle deck. The bottom deck houses the steam plant, this being the original steam plant fitted to the vessel in 1900. Also found on this deck are the galley and passenger dining room. Middle deck is the main accommodation deck. The passenger lounge with bar is on this deck along with cabins 7 to 20 and the shower and toilet facilities. Top deck is made up of the wheelhouse, a further passenger lounge (formerly the gentlemen’s smoking room) and cabins 1 to 6.

Passenger accommodation aboard the PS Marion is in the form of bunk style twin share cabins and can accommodate a total of 40 people (including crew). Sole occupancy is limited for twin cabins, it incurs a 80% charge on top of the cruise price and is subject to availability.

Four separate toilets and four showers are available for passenger use on the middle deck. Toilets are equipped with wash basin, mirror and power points. Electric razors and hair dryers can be used. A further crew toilet and shower is situated on the bottom deck. Two cabins located on the top deck have power points which can be used for sleep apnoea machines.

Neat casual clothing and flat shoes are recommended.

Linen is provided. This includes bedding, towels, face washers and bathmats.

All meals are included in the cruise price quoted and detailed in the itinerary. Alcohol and soft drinks are not included. Bar facilities are available. No alcohol is to be carried aboard by passengers.
